COMMITTEE ON GOVERNMENT OPERATIONS

1501 House Office Building

Washington, D. C.

January 31, 1957

ER-9-0234

Honorable Allan Dulles
Director
Central Intelligence Agency
2430 E Street, N. W.
Washington 25, D. C.

Dear Mr. Dulles:

The House Committee on Government Operations is again charged with the responsibility of compiling a Property Inventory Report covering real and personal assets of the United States Government, as of June 30, 1957, located in the United States, in the Territories and Possessions, and at overseas bases. The Report will be published in December of this year.

You and your associates were of assistance to the Committee in the compilation of data covering real and personal properties under the jurisdiction of the Central Intelligence Agency as of June 30, 1956. I was especially pleased that assets of your agency were reported in a manner, mutually agreed upon, which represented acquisition cost value without positive identification in every instance.

I shall greatly appreciate your furnishing the Committee again, in a manner similar to the one employed last year, figures covering your real and personal property assets as of June 30, 1957. These figures are requested no later than November 1, 1957 to be used in our next Report.

Please be assured of my sincere appreciation of your interest and for the assistance you and the members of your staff render the Committee in this endeavor.

Sincerely yours,

WILLIAM L. DAWSON,
Chairman.
